

What You See Is What You Get!

Build rapport more easily through a quick analysis of key traits on a face. Avoid simple misunderstandings, serious miscommunications and build on a deeper connection through understanding what people need and want from you.

Sandra Moore Williams teaches you how in this 3-session course geared to training you to:

- Identify the traits
- Understand what they mean
- Learn how to "talk to the traits" in applied practice
- Understand your own traits and what you bring to the mix

Each class can be a stand alone class, but you gain far more by taking all three.

Date:

Tuesday, November 2nd , 9th & November 16th!
